No one can take your place, no way  
No one else can come close  
If you ask me, yes I do say  
You're the only one for me  
You pick me up when I fall down (ooooh yeah)  
And everything I do is for you  
And even though at night you tell me lies  
And every time you talk to me I hear

Sweet nothings in my ear  
It's so clear,  
Just say, say, say it again  
Sweet nothings in my ear  
It's so clear,  
Just say, say, say it again

No one can take your place, no way  
My heart belongs to you,  
If you ask me for my hand and I'll say I do  
Coz you're the only one for me  
You pick me up when I fall down (ooooh yeah)  
And everything I do is for you  
And even though at night you tell me lies  
And every time you talk to me I hear

Sweet nothings in my ear  
It's so clear,  
Just say, say, say it again  
Sweet nothings in my ear  
It's so clear,

Just say, say, say it again

When you don't talk to me  
You don't say nothing  
It sounds so good anyway  
When you don't talk to me  
You don't say nothing  
It sounds so good anyway

When you don't talk to me  
Just say, say, say it again

Just say, say, say it again

Sweet nothings in my ear  
It's so clear,  
Just say, say, say it again  
Sweet nothings in my ear  
It's so clear,  
Just say, say, say it again

Sweet nothings in my ear  
It's so clear,  
Just say, say, say it again  
Sweet nothings in my ear  
It's so clear,  
Just say, say, say it again
