1st verse

I get so lost in the moment to find me something else
You are everything
If u want the stars I'd sprout wings and grab a couple
That's how much u mean to me, you are my king
I want nothing in return cause you're just enough
I know they don't understand so if anyone ever ask

b-section

Tell 'em bout how I love you more than life itself
How I'd give my breath if it meant that I could save you
That's how much I love you

chorus

They'll look like they've never seen it comin' when you
tell 'em so
Tell 'em bout me and how much I do
Tell 'em 'bout me ('bout me) , tell 'em 'bout me
Go 'head run your mouth
Tell 'em 'bout me ('bout me), tell 'em 'bout me
Ooooohoooouuuh oooooh
They'll look like they've never seen it comin' when you
tell 'em so
Tell 'em bout me and how much I do

2nd verse

I need you like shelter for real
What u want? Here it is
I'll have it before u think it
I'll make it possible, so easy , reachable to you
That's how much u mean to me , you are my king
I want nothing in return cause you're just enough
I know they don't understand so if anyone ever ask€!

Aw baby
This is how I want you to do it
Build a mountain of love
And I want you to climb to the top
Baby and shout out loud
I am your woman, (yeaaah) forever your woman
(yeaaah)
And I'm so blown away , you make me cry
Tell em they gotta believe
