chorus

all day long i think of you,  
i can't even, think of things to do  
wishin' all of my daydreams come true  
now baby what am i to do? (whoa oooo whoa)

i think about yesterday,  
somebody was talking to me  
but i couldn't understand a word they said  
not that i was trying to be rude,  
but conversation couldn't make it through,  
the thoughts of love i had for you.

bridge

baby your face takes up my time,  
cuz i can just see your face with mine  
i try to change my thoughts,  
it's a waste of time, you keep my mind occupied  
whoa oooo whoa

chorus

tell me what i'm to do,  
when i can only think of you  
even when i have simple things to do  
like talking on the telephone  
or watching t.v. when somethings on  
if it ain't about you then whats the use?

bridge
