How could she ever fool around  
Don't know what she was thinking 'bout  
While you were giving love  
She let you down  
Boy I know that you want to be alone  
Cause she broke your heart  
And she sent you home  
And you're wondering why  
She was so cold  
Well when they lie  
They have to lie again  
Cause the lying never ends  
So...

Truthfully  
Even if you don't believe  
You will always hear the truth  
Come from me  
(Baby) I'll never lie  
AAnd you're the reason  
I will always tells the truth  
Cause the truth resides in me

Boy I know it's a crying shame  
Baby no no you shouldn't blame  
Yourself for what she did  
She was insane

Maybe where you go I will go  
Whatever makes you happy  
Let me know  
My heart will be right there  
To console you  
Maybe the lies will never begin  
I will be your lover, your best friend  
So...

Truthfully  
Even if you don't believe  
You will always hear the truth  
Come from me  
(Baby) I'll never lie

And you're the reason  
I will always tell the truth  
Cause the truth resides in me

I will never say goodbye  
And I don't want to see you cry  
God only knows I love you  
But it's written in my eyes  
You are the only one for me  
There's no way I could ever leave  
I would never, no never never lie to you  
Truthfully
