[Verse 1:]

Give me a sour power
I'ma need a sponge roller and some sweet pajamas
Give me some Donnie Simpson
On Video Soul where I got my first attention
'Cause I don't wanna sound familiar
Want a guaranteed single, not an album filler
Give me some 90's music
I want Timbaland on it, I know he can do it

[Chorus:]

All my people they hear this and be askin' 'what?'
Brandy on the radio, turn it up!
Timbaland, you know how to bang the club
Give my people something to shake their butts
All my people they hear this and be askin' 'what?'
Brandy on the radio, turn it up!
Timbaland, you know how to bang the clubs
Give my people something to shake their butts

It's something big!

[Verse 2:]

The Kid n' Play reunion
Give me House Party, give me House of Music
Yup, gimme 92 and
lemme do my thing on it so they won't refuse it
Make it hot, get Babygirl's attention
She's more than a woman and we sure do miss her
I wanna represent her
Timabaland, Missy, you get the picture

Give it up, we gon' show you how we party
Give it up, we gon' show you how we party
Give it up, we gon' show you how we party
Give it up, we gon' show you how we party

[Chorus:]

All my people they hear this and be askin' 'what?'
Brandy on the radio, turn it up!
Timbaland, you know how to bang the clubs
Give my people something to shake their butts

All my people they hear this and be askin' 'what?'
Brandy on the radio, turn it up!

Timbaland, you know how to bang the clubs
Give my people something to shake their butts

[Bridge:]

Bang this joint for all the clubs
All my people, all my folks
Hit the streets and tell your friends
Your girl Brandy is back again
Is everybody ready?
Here I come
Is everybody ready?
It's been long enough
Is everybody ready?
I'm overdue
Is everybody ready?
Here for you

[Chorus:]

All my people they hear this and be askin' 'what?'
Brandy on the radio, turn it up!
Timbaland, you know how to bang the clubs
Give my people something to shake their butts
All my people they hear this and be askin' 'what?'
Brandy on the radio, turn it up!
Timbaland, you know how to bang the clubs
Give my people something to shake their butts

Give me a sour power
