[Shaunta] (Brandy)

You don't know me like you used to do, uh-uh (No more)

You don't know me like you used to do, uh-uh (No more)

You don't know me like you used to do, uh-uh (No more)

You don't know me like you used to do, uh-uh (No more)

(You)

[Shaunta]

Come here and control your thangs

Top the royal girl, let them hoes campaign

Still without the bull, like Mike I got game

You knew drop Cris, your mouth with no aim

Stick that ice in champagne

You don't know, I influenced your flow

And you don't know, move on and let him go

I turn your all night into a three minute tiger

He swallow my elixir like them gold Godivas

U d-o-n-t k-n-o-w m-e, on t-o-p, wit' Brandy

Never skis, no matter how wet the beats be

Feel me, playas got a lot of nerve

After he done slipped with a lot of birds

That's why I'm digging your man, he's my style

Shaunta, Brandy, uh, Darkchild, what?

1 - [Brandy]

You, don't know me

You don't know me like you used to know baby

You, don't know me

You don't know me like you used to know baby

[Brandy] (Da Brat)

(Darkchild what?)

How could you lie to me?

After all that we've been through

Don't you know it's sad to see me in love with you?

I gave you all of me

Still it wasn't enough for you

Is this how love's supposed to be?
Now I'm trying to get over you

Repeat 1

[Da Brat]

Uh, you don't know me no more so watch the way that I
flip

On the Darkchild remix so now it's more vivid we kicks
Hotter than the average team

I don't do ---- for average cream, married to my
dreams

In the event if you ---- up, I flee the scene
I'm taking
