When I first saw you I already knew  
There was something inside of you  
Something I thought that I would never find  
Angel of mine

I look at you lookin' at me  
Now I know why they say the best things are free  
I'm gonna love you, boy, you are so fine  
Angel of mine

How you changed my world you'll never know  
I'm different now, you helped me grow  
You came into my life sent from above  
When I lost all hope you showed me love

I'm checkin' for ya, boy, you're right on time  
Angel of mine

Nothing means more to me than what we share  
No one in this whole world can ever compare  
Last night the way you moved is still on my mind  
Angel of mine

What you mean to me you'll never know  
Deep inside I need to show  
You came into my life sent from above  
(Sent from above)  
When I lost all hope, you showed me love  
(Boy, you showered me love)

I'm checkin' for ya, boy, you're right on time  
(Right on time)  
Angel of mine  
(Angel of mine)

I never knew I could feel each moment, as if it were  
new  
Every breath that I take, the love that we make  
I only share it with you  
(You, you, you, you)

When I first saw you I already knew

There was something inside of you  
Something I thought that I would never find  
Angel of mine

You came into my life sent from above  
(Came into my life, yeah, yeah, yeah)  
When I lost all hope you showed me love  
(Boy, you showed me love, uh huh)

I'm shakin' for ya, boy, you're right on time  
(But boy you're re right on time)  
Angel of mine  
(Angel of mine, oh mine)

How you changed my world you'll never know  
I'm different now, you helped me grow

I look at you lookin' at me  
Now I know why they say the best things are free  
I'm checkin' for ya, boy, you're right on time  
Angel of mine
