Look into my eyes

You will see, what you mean to me

Search your heart, search your soul

When you find me, then you'll search no more

Don't tell me its not worth trying for

You cant tell me its not worth dying for

You know its true, everything I do, I do it for you

Look into your heart, you will find

There is nothing there to hide

Take me as I am, take my life

I would give it all, I would sacrifice

Don't tell me its not worth fighting for

I cant help it, there's nothing I want more

You know its true, everything I do, I do it for  
you There's not love, like your love

And no other could give me more love

There's nowhere, unless you're there

All the time, all the way

You cant tell me its not worth trying for

I just cant help it, there's nothing I want more

I would fight for you, I'd live for you

Walk the wire for you, yeah IÃ, 'd die for you

You know its true

Everything I do

I do it for you
