(Live MCM CafÃ©,Ã©)

Don't drag it down
Just because you're down
Just because you're blue
Doesn't mean I'm too
I know found
You need more than me
Don't talk to me
Without being free

It's freedom
Withoutlove
And magic
Without love
And magic without love
Yeah

Hear me say
Better thing will surely come my way
Hear me say
Better thing will surely come my way

Say the magic's gone
Well I'm not a magician
Say the spark's gone
Well get an electrician
Say you're right about needing to be free
All that's bullshit, baby just won't rid of me

You want freedom withoutlove
And magic
Without love
And magic without love
yeah

Hear me say
Better things will surely come my way
Hear me say
Better things will surely come my way

My way

Hey
Surely come my way...
