Evil dream
Evil way
Save the day
Evil dream
Evil way
Save the day

If you go and if you croak
I will take you where to go
If you go and if you croak
I will take you where to go

If you want to be there
I'll be right by your side

Evil dream
Evil way
Save the day
Evil dream
Evil way
Save the day

If you go and if you croak
I will take you where to go
If you go and if you croak
I will take you where to go

If you want to be there
I'll be right by your side

I will be there
I will be there
I will be there
I will be there

If you go and if you croak
I will take you where to go
If you go and if you croak
I will take you where to go

If you want to be there
I'll be there by your side

If you want to be there
I'll be there by your side

If you want to be...
If you want to be...
