Got your favorite daughter in my bedroom tonight  
She loves to suck my dick, but doesn't do it quite right  
Why didn't daddy teach you how to suck off a man?  
Don't ever spit my manhood in a trashcan

Swallow that load - give it all that you got  
Swallow that load - gargle on my pecker snot  
Swallow that load - or you'll lick up every drop  
Swallow that load - you twat

Now you're sucking easy, but you know I like it rough  
I'm a big manmeat volcano, and I'm ready to erupt  
So go on back to daddy, girl, and practice at home  
And come back when you really wanna bury that bone

Swallow that load - give it all that you got  
Swallow that load - gargle on my pecker snot  
Swallow that load - or you'll lick up every drop  
Swallow that load - you twat
