Welcome to the home of a hillbilly  
Yeah baby  
It's a land of barbed wire, moonshine, whiskey  
Park your car before you get it stuck  
Go on grab you a beer  
And get on up in the truck  
It's going down tonight  
It's all on me  
It's BYOB, and I got all we need  
Yeah boy I'm bout to show me a city slicker  
How to kick it in the sticks with the critters down on

Our side of a barbed wire  
Money grows in rows  
And if it don't you've gone broke  
So we  
We hang out by the bon fire  
Just some good ole boys having a dang good time  
We crank it up down here  
We get loud down here  
Throwin down in the dirty dirty south down here  
Be an all nighter with the hippies and the hicks  
Jocks and bikers they all came to kick it in the sticks

So pop a top and drop a tailgate  
Yeah we crankin up AC DC, hank, skynrd, and George  
strait  
Wheres the girls?  
Bout to call em up  
A little southern draw said "hey trouble whats up?"  
It's goin down tonight  
Now there pullin up  
We got the jacked up trucks slap covered in mud  
Bikini tops and daisy duke denim  
Hoppin out singin outlaw women down on

Our side of a barbed wire  
Money grows in rows  
And if it don't you've gone broke  
So We hang out by the bonfire  
Just the good ole boys having a dang good time  
We crank it up down here

We get loud down here  
We throwin down in the dirty dirty south down here  
Be an all nighter with the hippies and the hicks  
Jocks and bikers they all came to kick it in the sticks

Hey boy hit this mason jar one time  
burned you a little bit didn't it?  
Ever been snipe huntin'  
Come on

We'll do a little frog giggin, cow tippin  
How bout a little skinny dippin, bass fishin  
Take it easy on the shine  
Stay away from other boys women  
That's one damn good way for a man to get it whooped  
down  
These boys tough down here  
Get your ass tore up down here  
And be an all nighter with the hippies and the hicks  
The jocks and bikers they all came

On our side of a barbed wire  
Money grows in rows  
And if it don't you've gone broke  
So we  
We hang out by the bon fire  
Just the good ole boys having a dang good time  
We crank it up down here  
We get loud down here  
We throwin down in the dirty dirty south down here  
Be an all nighter with the hippies and the hicks  
The jocks and bikers they all came to kick it in the  
sticks
