Hey old friend, thanks for callin'
It's good to know somebody cares
And yeah she's gone, but I don't feel like talkin'
Might be just too much to bear
To hear somebody say it stops hurting
Or to hear somebody say that she ain't worth it,

Cause you don't know her like I do
You'll never understand
And you don't know what we've been through
Yeah, that girl's my best friend
And there's no way you're gonna help me
She's the only one who can
No, you don't know how much I've got to lose
You don't know her like I do

I can't forget, I'm drowning in these memories.
It fills my soul with all the little things.
And I can't cope, it's like a death inside the family
It's like she stole my way to breathe
So don't try to tell me i'll stop hurting
Don't try to tell me she ain't worth it

Cause you don't know her like I do
You'll never understand
And you don't know what we've been through

That girl's my best friend
And there's no way you're gonna help me
She's the only one who can
No, you don't know how much I've got to lose
You don't know her like I do. Oh.
Like i do.

You don't know her like I do
You'll never understand
You don't know what we've been through
That girl's my best friend
There's no way you're gonna help me
She's the only one who can
No, you don't know how much I've got to lose
No you never know how much I've got to lose

You don't know her like I do.
Not like I do.
