Night and day  
You are the one  
Only you beneath the moon  
And under the sun

Whether near to me or far  
It's no matter  
Darling, where you are  
I think of you

Night and day  
Why is it so  
That this longing for you  
Follows wherever I go

In the roaring traffic's boom  
In the silence of my lonely room  
I think of you, you, you, you, you, you

Night and day

Night and day, under the hide of me  
There's an oh such a hungry  
Yearning burning inside of me

And this torment won't be through  
'Til you let me spend my life  
Making love to you

Night and day  
Day and night  
Night and day

Night and day, under the hide of me  
There is an oh such a hungry  
Yearning burning inside of me

And this torment won't be through  
'Til you let me spend my life  
Making love to you

Night and day

Day and night  
Night and day  
Day and night

Night and day  
Day and night  
Night and day  
Day and night

Night and day  
Day and night  
Night and day  
Day and night

Night and day  
Day and night
