If I told you, I don't mind
Would you believe me when I say to you
"You're not my kind"
Do I deceive you with this fragile disguise?
Ask me no questions an' I will tell you no lies

If you could read my heart, I would not deny
But I'll pretend all these tears on my face, don't imply
That I'm not happy just to see you with her
(Aah aah aah)
One small voice that will never be heard
(Aah aah aah, aah aah aah)

I'm in love with you
(You)
Oh, I'm in love with you
(You)
But I turn away when you look in my eyes
Ask me no questions, I'll tell you no lies
I'm in love with you

Aah aah
(Aah aah)
Aah aah aah
Aah aah aah

I'm in love with you
(You)
Oh, I'm in love with you
(You)
Tryin' to smile with a hole in my heart
No one knows I'm fallin apart

I'm in love with you
(You)
Oh, I'm in love with you
(You)
But I turn away when you look in my eyes
Ask me no questions, I'll tell you no lies
I'm in love with you
