Oh, my love  
You say this is the end  
I'll tell you it's the hardest thing  
I've ever had to do my friend

But I'll go  
I'll do what you say  
But when I walk  
I will walk away from you

And the dark place you come from  
The hurt you share between the two  
Run now  
Hide what you know to be the truth

Yes, you know  
(I will walk)  
That I will walk away  
And I'll pretend  
(I will walk)  
I don't feel something breaking

Look at yourself  
It does no good to cry  
It's not forever  
But hey, you think that I'm so strong  
You think I've got it all  
Maybe you're wrong, ohh

Hey hey

So go  
(I will walk)  
I'll do what you say  
But when I walk  
(I will walk)  
I will walk away

Hey hey  
(I will walk)  
I'll let you walk away  
And I'll pretend

(I will walk)  
I don't feel something breaking
