When I saw you, every single part of me said
Yeah, yeah, yeah
My eyes wanted, my lips wanted to, you know
Lose control

No matter, matter what, you're gonna, gonna get the
girl
I really wanna, gotta, gotta get the girl

I can tell you
Got the kind of magic, the stuff
Show me love
(Love love love)

Wherever you go
There you are
There you are
(There you are)
A superstar

No matter, matter what
You're gonna, gonna get the girl
(Wanna be your girl, I wanna be your girl)
No matter, matter what
You're gonna, gonna get the girl
(Wanna be your girl, I wanna be your girl)

I really wanna, gonna, gonna get the girl
I really wanna, you're gonna, gonna get the girl
I really wanna, you're gonna, gonna get the girl

No matter, matter what, you're gonna, gonna get the
girl
(Wanna be your girl, I wanna be your girl)
I really wanna you've gotta, gotta get the girl
(Gotta be your girl, I wanna be your girl)

No matter, matter what, you're gonna, gonna get the
girl
(A superstar, is what you are)
(Wanna be your girl, I wanna be your girl)
I really wanna you've gotta, gotta get the girl

(A superstar, is what you are)
(Gotta be your girl, I wanna be your girl)

A superstar, is what you are
(Wanna be your girl, I wanna be your girl)
A superstar, is what you are
(Wanna be your girl, I wanna be your girl)

A superstar, is what you are
(Wanna be your girl, I wanna be your girl)
A superstar, is what you are
