Happy Man Today (M. Steele)

Vocal: Michael

Turn back, walk on by  
When I laugh I still wanna cry  
You never seem to care  
What you seem to me  
Is so cold and far away  
Oh I'd give anything  
Just to see you smile

Well there's a light  
I saw you shine  
At special times  
Hiding a different kind  
There's nothing I can't take  
To make you a happy man  
Today

I want love and a child  
But it hurts to much to care  
But I'm finally estranged  
So turn back, walk on by  
Still I'd give anything  
Just to see you smile

Well there's a light  
I saw you shine  
At special times  
Hiding a different kind  
There's nothing I can't take  
To make you a happy man  
Today

(solo)

Cause there's a light  
I saw you shine  
At special times  
Hiding a different kind

There's a light  
I saw you shine at special times  
Hiding a different kind  
There's nothing I can't take  
To make you a happy man  
Today
