Heaven Is A Place On Earth by Bangles

chorus

ooh baby do ya know what thats worth

ooh heaven is a place on earth

they say in heaven

'love comes first'

well make heaven

a place on earth

ooh heaven is a place on earth

When the night falls down

I wait for you and you come around

And the worlds alive

With the sounds of kids on the street outside

When you walk into the room

You pull me close and we start to move

And we're spinning with the stars above and you lift me

up

In the world above

[chorus]

When I feel alone

I reach for you and you bring me home

When I'm lost at sea

I hear your voice and it carries me

In this world we're just beginning

To understand the miracle of living

Baby I was afraid before I'm not afraid anymore...

[chorus]

heaven..

heaven..

heaven..

In this world we're just beginning

to understand the miracle of living

baby I was afraid before, I'm not afraid anymore

heaven..

[chorus]

ohh heaven is a place on earth (x5)...
