I got nothing there's no sense in looking back
All my yesterdays went up in flames
Now I'm gonna just forget what's in the past
I don't even recognize their names

Two undiscarded lives, a simple proposition
Everyday a little pain
Survival's up to me, since every time I
Open my eyes the world remains

I got nothing
(Got nothing)
Too bad
(Too bad)
But I'm happy 'cause that's all I have
(That's all I have)
I got nothing
(Got nothing)
They want
(They want)
No false dreaming, I practically just won

Looking out their windows from their easy chairs
I can see they think they got it beat
They just see a drifter in some worn out clothes
Not someone who do some good to meet

I'm more ashamed of them than what I'm wearing
Not reaching past the window ledge
There's a view of life that we're not sharing
'Cause they won't walk out to the edge

Hey I got nothing
(Got nothing)
Too bad
(Too bad)
But I'm happy 'cause that's all I have
(That's all I have)
I got nothing
(Got nothing)
They want
(They want)

No false dreaming, I practically just won

Two undiscarded lives, a simple proposition
Everyday a little pain
Survival's up to me, since every time I
Open my eyes the world remains

I got nothing
(Got nothing)
Too bad
(Too bad)
But I'm happy 'cause that's all I have
(That's all I have)
I got nothing
(Got nothing)
They want
(They want)
No false dreaming, I practically just won

I got nothing
(Got nothing)
Too bad
(Too bad)
I got nothing
(Got nothing)
Too bad
(Too bad)

I got nothing
Too bad
I got nothing
Too bad, yeah
