If she knew what she wants  
(He'd be givin' it to her)  
If she knew what she needs  
(He could give her that too)  
If she knew what she wants  
(But he can't see through her)  
If she knew what she wants  
He'd be givin' it to her  
Givin' it to her

But she wants everything  
(He can pretend to give her everything)  
Or there's nothing she wants  
(She don't want to sort it out)  
He's crazy for this girl  
(But she don't know what she's lookin' for)  
If she knew what she wants  
He'd be givin' it to her  
Givin' it to her

I'd say, "Her values are corrupted  
But she's open to change"  
Then one day she's satisfied  
And the next I'll find her cryin'  
And it's nothing she can explain

If she knew what she wants  
(He'd be givin' it to her)  
If she knew what she needs  
(He could give her that too)  
If she knew what she wants  
(But he can't see through her)  
If she knew what she wants  
He'd be givin' it to her  
Givin' it to her

Some have a style that they work hard to refine  
So they walk a crooked line  
But she won't understand  
Why anyone would have to try  
To walk a line when they could fly?

No sense thinkin', I could rehabilitate her  
When she's fine, fine, fine  
She's got so many ideas travelin' around in her head  
She doesn't need nothin' from mine

If she knew what she wants  
(He'd be givin' it to her)  
If she knew what she needs  
(He could give her that too)  
If she knew what she wants  
(But he can't see through her)  
If she knew what she wants  
He'd be givin' it to her  
Givin' it to her

She wants everything  
(He can pretend to give her everything)  
Or there's nothing she wants  
(She don't want to sort it out)  
He's crazy for this girl  
(But she don't know what she's lookin' for)  
If she knew what she wants  
He'd be givin' it to her  
Givin' it to her

He'd be givin' it to her  
He can give her that too  
But he can't see through her  
Ooh, givin' it to her  
Givin' it to her
