I knew it'd turn out like this  
I'm keeping one foot on the train  
And I must be a masochist  
To ever take up with you, James

It sounds familiar  
That tone in your voice  
You're gonna quit, James  
You leave me no choice

Oh, James  
Lettin' me down again, James

Well, it wasn't so long ago  
I saw love in your eyes  
And I think I should've known  
But I'm feeling somewhat surprised

You think there's someone  
Better for you  
You think I'm too young  
To see this thing through

Oh, James  
Lettin' me down again, James

(Ooh, let me down)  
Down, down  
(Ooh, let me down)  
Let me down, down, down, down  
(Ooh, let me down)  
Down, down  
(Ooh, let me down)  
Let me down, down, down, down  
(Ooh, let me down)  
Down

I knew it'd turn out like this  
I'm keeping one foot out the door  
And I don't think I should trust  
That kinda love anymore

And now I realize  
I had it all wrong  
I'll only take this  
Trip for so long

Oh James  
Lettin' me down again, James  
Guess it's goodbye again, James

Lettin' me down again  
Lettin' me down again, James
