Can we try to salvage what we can
From the weight of water and sand?
Lifts us up again
Well this world is spinnin' out of control
I'm bracin' just to keep hold
As the clouds move in
With a drivin' wind so strong

Could it be that we're lost at sea
And we're drowning under the stars?
Up to me, I would ride this wave
Before we drift too far
What a lonely way to be lost at sea
(Ooo ooo ooo)

Like a star in a night filled with tears
Make the sadness disappear
'Cause you're all that I hold dear
Well you walk
Never ever looking back
One defends and one attacks
There's a thousand reasons to begin again

Could it be that we're lost at sea
And we're drowning under the stars?
Up to me, I would ride this wave
Before we drift too far
Take my hand, come to me
Save a life, rescue you, rescue me

Could it be that we're lost at sea?
And we're drowning under the stars
Up to me, I would ride this wave
Before we drift too far

Could it be that we're lost at sea
(Ooo ooo)
And we're drowning under the stars?
(Ooo ooo)
Up to me, I would ride this wave
(Ooo ooo)
Before we drift too far

(Ooo ooo)
