I want to show you the picture I drew
When I was on the phone talking to you
I made a heart and I colored it red
'Cause I want you here on my side of the bed

I've been dreaming since I was born
And in my dreams I see eyes like yours
I'll be the pillow where you lay your head, lay your head
If you'll come and asleep on my side of the bed

Lay down
The sheets are white like the moon, my love
Dream with me in my room
Lay down

Lay down
The sheets are white like the moon, my love
Dream with me in my room
Lay down

I know you hurt, I feel the pain
Take my hand and come out of the rain
We all need to be comforted
You can get yours on my side of the bed
On my side of the bed

Lay down
On my side of the bed
Come lay down

Tra la la la
Sha la la la
Lay down, lay down

Sha la la la
(I made a heart)
Sha la la la
(I colored it red)
Lay down, lay down
(I colored it red)

Sha la la la

(Lay down)
Sha la la la
(Lay down)
Lay down, lay down

Sha la la la
Sha la la la
Lay down, lay down

Sha la la la
(I made a heart)
Sha la la la la
(I colored it red)
Lay down, lay down
(I colored it red)

Sha la la la
(Lay down)
Sha la la la
(Lay down)
Lay down, lay down
(On my side of the bed)
