Hey Sugar, I had that dream again
I saw you in your red crushed velvet suit
Rolling on my feather bed
A Cheshire cat in yellow beetle boots
Who's that stranger lying in your arms?
Her fingers running down your tattooed chest
Valentino's cranking up the charm
And it's coming like a freight train
These pictures in my head

Hey Mister Nickel Romeo
Everybody knows your name
Hey, hey Mister
Tell me Mister, what's your game?

Falling, yes she will fall
Your latest victim bites her lip and sighs
She'll do these nasty job for you
Insinuating kisses on the sly
Oh I remember how you get your kicks?
Preying on the innocent at night
Strange desperation you gotta cop that fix
Making every little girl is keeping you alive

Hey Mister Nickel Romeo
Everybody knows your name
Hey hey Mister
Tell me Mister, what's your game?
Oh Nickel Romeo, you got no shame

Hey Mister Nickel Romeo
Everybody knows your name
Hey, hey Mister
Tell me Mister, what's your game?

Hey Mister Nickel Romeo
Everybody knows your name
Hey, hey Mister
You're the master of this game
Because you got no shame
I think, I'm going insane
And you're to blame
