Saw your head turn
A bit too far to the right now
Saw the eye go a little spark
When she walks by now

But if you wanna love
You wanna love another girl
I'll leave it up to you
But I won't be tested
(You feel restless now)
While you feel restless
(Restless)

Now I'm wondering every time
That you hold me
Well, should I question
Anything you have told me

But if you wanna love
You wanna love another girl
I'll leave it up to you
But I won't be tested
(You feel restless now)
While you feel restless, yeah
(Restless)

I remember when you and I were a nation
I could trust you in any dark situation

But if you wanna love
You wanna love another girl
I'll leave it up to you
But I won't be tested
(You feel restless now)
While you feel restless
(Restless)
