Pa rup

Writin' the lines as they come to me  
Scratchin' them out almost immediately  
Don't know what it's done to me

Oh It's cold and it's wet, it's been rainin' all night  
And there's a letter I've been trying to write  
Somethin' better waitin' somewhere for me

(Ooo)  
One of them is sittin' on the wrong coast  
(Ooo)  
One awaits an answer by return post  
Waitin', waitin'

Pa rup

Try to remember how long it's been  
An' there was more to us than paper and pen  
Think how easy it is to conceal

And I know when we're together again  
We'll be strangers for an hour and then  
We have to figure out if this thing is real

(Ooo)  
An' one of them is sittin' on the wrong coast  
(Ooo)  
One awaits an answer by return post  
Waitin', waitin'  
(Waiting)

(Aaa aaa)  
(Aaa aaa)  
Cold and wet and rain all night  
There's a letter I gotta right  
Somethin' better waitin' for me

(Ooo)  
One of them is sittin' on the east coast  
(Ooo)  
One awaits an answer by return post  
Waitin', waitin'  
(Waitin')

(Ooo)  
Take a drink and starin' out the window  
(Ooo)  
Wonderin' how long this can continue  
(Waitin')  
Waiting
