Single by choice
Never marry, never ever divorce
Listen to the solitary voice
Tell you I'm single by choice

Single by choice
Never marry, never ever divorce
Listen to the solitary voice
Tell you I'm single by choice

I know what you're thinkin'
She can't be complete
'Til the right kind of man
Come sweep her off her feet
Well I've been there before
Times four or times five
With the right kind of man
Barely made it out alive

I'm single by choice
Never marry, never ever divorce
Listen to the solitary voice
Tell you I'm single by choice

Alone but not lonely
I've made up my mind
And chosen the life
It's a solitary kind
I got sun in my mornin'
Got love in my day
And I don't waste one moment
Wishin' it away

Single by choice
Single by choice
Single by choice
Single by choice

Single by choice
Never marry, never ever divorce
Listen to the solitary voice
Tell you I'm single by choice

Single by choice
Single by choice
Single by choice
Single by choice
