I don't think about us much anymore
Frankly, the topic has become a bore
And you don't come up much in my conversations
And I don't think about you on vacation

But when it rains
When it rains
When it rains
That's when I remember
That's when I remember
When I remember you
I remember you

I don't think about us when I'm sleepin'
It doesn't even cross my dreamlike mind
I don't think I see your face through the curtains
Hell, I don't even miss you half the time

Oh, but when it rains
When it rains
When it rains
That's when I remember
That's when I remember
When I remember you
I remember you

Rain, rain go away I'm doing fine
As long as you stay
Locked up inside a cloud of gray
Rain, rain
Rain, rain, rain
Rain, rain, rain
Rain

When it rains
When it rains
When it rains
That's when I remember
That's when I remember
When I remember you
I remember you

Oh, that's when I remember
The only time I remember
Yaa, I remember you
Oh oh
