"Under A Cloud"

It's August again and I'm on my own
I'm under a cloud and I'm staying home
The telephone rings and I am hiding out

Rituals carved on a well worn path
It's up with people but I'm failing that class
So many reasons to style but I'm happy to down

I'm under a cloud and no one knows
Under a cloud my beauty unfolds like a rose
Whoa-oh oh

I've been down so long I got a fear of heights
My mind keep telling me that something's not right
So I walk in the sun in my rain hat and overcoat

Makes no sense and it's so surreal
Dispite what you see I feel what I feel
And I'm bailing out water from this lush lifeboat

I'm under a cloud no one knows
Under a cloud my beauty unfolds like a rose

It's a terrible lie
None of it ever happened
I have my sunny, sunny days always serverd blackened
yah
(oh yah)

I'm under a cloud no one knows
Under a cloud my beauty unfolds
I'm under a cloud and no one knows
Under a cloud the beauty unfolds
Like a rose
Like a rose

Oooh oooh (Baking sun)

Bailing out water from this lush boat

(Walking in the sun)

Bailing out water from this lush boat

(Walking in the sun)
