Ooh, oh, I've had sleepless nights
Toss and turn, wake up burning for what you inspire

So I'm gonna walk right down your street
With love that I can't hide
I've got one thing on my mind, yeah
I'll even sacrifice my pride
'Cause I want you

Ooh, oh, how I wish you would be mine
My pulse is weak, blushing brighter than a valentine

'Cause I can walk right down your street
With love that I can't hide
I've got one thing on my mind, yeah
I'll even sacrifice my pride
'Cause I can't stop the way I feel
So I keep walking on 'cause I want you

Walking down, down your street
Walking down your street
Walking down your street
Down your street

I can't stop the way I feel
So I keep walking down, oh, oh, oh

Walking right down your street
With love that I can't hide
Oh, I got one thing on my mind, yeah
I'll even sacrifice my pride

Walking right down your street
With love that I can't hide, yeah
I got one thing on my mind, yeah
I'll even sacrifice my pride

Walking right down your street
With love that I can't hide, oh
I got one thing on my mind, yeah
I'll even sacrifice my pride
