If she knew what she wants - he'd be giving it to her

If she knew what she needs - he could give her that too

If she knew what she wants - but he can't see through
her

If she knew what she wants he'd be giving it to her

Giving it to her.

But she wants everything -
He can pretend to give her everything

Or there's nothing she wants -
She don't want to sort it out

He's crazy for this girl -
But she don't know what she's looking for

If she knew what she wants he'd be giving it to her

Giving it to her.

I'd say her values are corrupted but she's open to
change.

Then one day she's satisfied and the next I'll find her
crying

And it's nothing she can explain.

If she knew what she wants - he'd be giving it to her

...

Some have a style that they work hard to refine -
So they walk a crooked line.

But she won't understand why anyone would have to try
To walk a line when they could fly.

No sense thinking I could rehabilitate her
When she's fine

Fine
Fine.
She's got so many ideas travelling around in her head

She doesn't need nothing from mine.

If she knew what she wants -
He'd be giving it to her

...

But she wants everything -
He can pretend to give her everything

...

He'd be giving it to her -
He could give her that too --
But he can't see through her -
Giving it to her
Giving it to her now.
