Oh, where's my gun?
I want to have some - fun
When you look ahead
That's where I dive right in
Don't try to help me
Don't try to tell me
Just take a look inside of my head
Only time can tell
If I'm to go to - hell
When you see my face
That's where you lose your trace
Don't try to help me
Don't try to tell me
Just take a look inside
I'm a shotgun man - shot
I'm a shotgun man - shot
It's a lie good God

Need my shot
Shot, shot - shotgun man
Shotgun man
Ready to fire
Watch you bleed
Where's my gun?
Hey, dad too many died
Ain't enough
Shotgun
Don't try to help me
Don't try to tell me
Just take a look inside of my head
Shot
I'm a shotgun man - shot
I'm a shotgun man - shot
I'm a shotgun man
Well, I'm a shotgun man
Listen!
Shotgun, shotgun
It's a lie!
Good God!
