Yesterday I saw a boy
He stole my heart and I don't even know his name
I'm hopin' that he feels the same as me
And then today I saw that boy
And I'm so over it
I need to take a chance with somethin' new

It's safe to say that I might change my mind
They know
'Cause I change it all the time

You and me
Together
Forever
You and me
Meant to be
Yeah you'll see
You and me are gonna take it we're gonna make it
We're never gonna fake it
Until I see that guy look at me
As the school bell rings
(ding dong ding ding ding dong whoa)

As I close my locker door
I see your name it wasn't scratched there anymore
I got rid of it like you got rid of me
And just that you don't understand
Well I'm so over it
You had to go and try somebody new

It's safe to say that I might change my mind
I know
'Cause I change it all the time
Whoa

You and me
Together
Forever
You and me
Meant to be
Yeah you'll see

You and me are gonna take it we're gonna make it
We're never gonna fake it
Until I see that guy look at me
As the school bell rings

Maybe I'm just blind
Maybe I'm just lyin' to myself
As the school bell

You and me
Together
Forever
You and me
Meant to be
Yeah you'll see
You and me are gonna take it we're gonna make it
We're never gonna fake it
Until I see that guy look at me
Until I see that guy look at me
As the school bell rings

Ding dong ding ding ding dong whoa
Ding dong ding ding ding dong
Whoa oh
