Can't believe my friend had to move away
We still had so many things to do

I got the news back in December you'd be leavin' me
Had to go away
You said you hate it and I hate it but you had to go
Ain't no other way

I don't wanna be without you
Still so many things we planned to do
There's somethin' that I can't forget
Like the day you said to me

You'll be my butterfly (fly ooh) (butterfly, butterfly)
You'll be my butterfly, butterfly (butterfly ooh)
(butterfly)
You'll be my butterfly (fly ooh) (butterfly, butterfly)
You'll be my butterfly, (butterfly ooh) butterfly, butterfly
(butterfly)

We've been friends for long just hangin' out and havin'
fun
Why does it have to end
People say that I'll get over it but they don't know
You were my best friend

I don't wanna be without you
Still so many things we planned to do
There's somethin' that I can't forget
Like the day you said to me

You'll be my butterfly (fly ooh) (butterfly, butterfly)
You'll be my butterfly, butterfly, (fly ooh) butterfly
(butterfly)
You'll be my butterfly (fly ooh) (butterfly, butterfly)
You'll be my butterfly, (butterfly ooh) butterfly, butterfly
(butterfly) yeah

I know one day we'll be together again (together again)
Never thought the day would come I'd lose my best
friend (my best friend)

I keep my memories inside my heart (inside my heart)
Like the day you said to me
You'll be my

(butterfly) oh oh (butterfly, butterfly)
You'll be my butterfly, (fly ooh) butterfly, butterfly
(butterfly)
Butterfly (butterfly ooh) (butterfly, butterfly)
You'll be my butterfly, (fly ooh) butterfly, butterfly
Yeah (butterfly ooh) (butterfly, butterfly)
You'll be my butterfly, (fly ooh) butterfly, butterfly
(butterfly)
Yeah (butterfly ooh) (butterfly, butterfly)
You'll be my butterfly, (fly ooh) butterfly, butterfly
