Daydreamin' in class and your on my mind again
My friends say your pretty cute for a boy
(pretty cute for a boy)
I sit in the next row three seats back from you
Never knew you notice me at all

Never once told me hi
You just kept passin' by
Til your friends told my friends
And round and round again

Check yes or no
In the note I got from you
Na na na na na na na
Check yes or no
In the box below (in the box below)
(na na na na na na na)
Check yes or no
In the note I got from you
(Na na na na na na)
I sent it back sayin' I don't know
(na na na na na na)
Na na
(na na na na na na)
na na
(na na na na na na)

Outside with my girls; you're playin ball with your boys
Everyone keeps askin' what I'm gonna say to you (say to you)
I don't really know you see I'm kinda shy
(when it comes to boys)
...sayin' I don't know
...let me you really caught my eye
(na na na na na na)

Never once told me hi
You just kept passin' by
Til your friends told my friends
And round and round again

Til your friends passed a note that came my way boy
What should I do I'm so confused
Over you
Don't you know baby

I gotta check yes or no
In the box below (in the box below)
