I know it's magic  
This little thing we have  
You and me are always havin' fun  
From the moment that I saw you  
I knew that you would be the one  
And we'd live happily ever after  
Boy

You'll be my Romeo  
I'll be your Juliet  
Like Cinderella with Prince Charming at the ball  
You'll be my knight in shining armor for your damsel in  
distress  
We'll have a fairytale romance  
Fairytale Romance  
A fairytale romance  
Makin' all our dreams come true

Some might say  
Fairytale don't come true  
But they don't know what we feel inside no  
It's like love at first sight  
We wish upon a star each night  
And we live happily ever after  
Boy

You'll be my Romeo  
I'll be your Juliet  
Like Cinderella with Prince Charming at the ball  
You'll be my knight in shining armor for your damsel in  
distress  
We'll have a fairytale romance  
Fairytale Romance  
A fairytale romance  
Makin' all our dreams come true  
Yeah

I been lookin' for so long  
(waitin' for you)  
Now you're here by my side  
(by my side)

And now that we found each other boy  
(I know we'll stay together)  
Just you and me  
(I know we'll last forever)  
If you believe

You'll be my Romeo  
I'll be your Juliet  
Like Cinderella with Prince Charming at the ball yeah  
You'll be my knight in shining armor for your damsel in  
distress whoa  
We'll have a fairytale romance  
Fairytale Romance  
A fairytale romance yeah  
Makin' all our dreams come true

You'll be my Romeo  
I'll be your Juliet  
Like Cinderella with Prince Charming at the ball  
You'll be my knight in shining armor for your damsel in  
distress  
We'll have a fairytale romance
