This is what we're gonna do and this is how we do it
This is what we're gonna do and this is how we do it
This is what we're gonna do and this is how we do it
This is what we're gonna do and this is how we do it

Hey you
Yeah I'm talkin' to you
You're sittin' over there
You're movin' so slow
Like you're glued down to a chair
You've got to get up
You've got to get up on your feet
This is a brand new dance
We put to a brand new beat

Now people on my left
You've got to do your best
Now people on my right
You say alright alright alright
Now clap along with me
While you hear my song
So this is what we're gonna do
So come and sing along
Let's go

Let's go bananas
While you're feelin' the beat
Let's go bananas
Just get out of your seat
Let's go bananas
While you're hearin' my song
Let's go bananas
So clap and sing along you say
Hey hey hey hey hey hey hey hey
Na na na na
Na na na
Hey hey hey hey hey hey hey hey
Na na na na
Na na na

You feelin' the groove

Of my brand new song
The words are so simple
Just say bananas that's all

Now everybody in the back has started stompin' their
feet
While the ones up here in front are goin' round to the
beat

Now people on my left
You've got to do your best
Now people on my right
You say alright alright alright
Now clap along with me
While you hear my song
So this is what we're gonna do
So come and sing along
Let's go

Let's go bananas
Let's go bananas
Let's go bananas
Get off your feet
Let's go bananas
While you're hearin' my song
Let's go bananas
So clap and sing along you say

Turn it up
Yeah
Turn it up
Turn it up
Turn it up
You know we're going to
Turn it up
Yeah

(yeah yeah) This is what we're gonna do and this is how
we do it (do it)
This is what we're gonna do and this is how we do it
(oh)
This is what we're gonna do and this is how we do it
(mm-hmm)
This is what we're gonna do and this is how we do it
(whoa)
Yeah
