I'm unstoppable
I'm unstop
I'm unstoppable
I'm unstoppable

I won't play it safe
Or let time go to waste
There's only so many tomorrows in this life
And I am not someone
That ever will become
Just a faceless name that people pass right by

I see the picture
I get into it
And I know how this story's gonna end

I've got what it takes
To make it my own way
I'm unstoppable
No one can hold me back
And you can hold me to that
I'm unstoppable

There may be twists and turns
And I may crash and burn
But in the end I walk out of the fire into the light
And my best defense
Is my confidence
Mark my words and in the end you're gonna see I'm
right

There's a feeling inside me so strong
You're gonna know
What I've known all along

I've got what it takes
To make it my own way
I'm unstoppable
No one can hold me back
And you can hold me to that
I'm unstoppable

You can say what you wanna say
But I won't let that get in my way
Cause there's a force that is happening
Between in my heart
That makes me believe

I've got what it takes
To make it my own way
I'm unstoppable

I've got what it takes (yeah yeah)
To make it my own way
I'm unstoppable (I'm unstoppable)
No one can hold me back (I've got what it takes)
And you can hold me to that (to make it my own way)
I'm unstoppable (yeah yeah I'm unstoppable)

I've got what it takes
To make it my own way
I'm unstoppable (yeah oh oh oh I'm unstoppable)
No one can hold me back (yeah yeah yeah)
And you can hold me to that
I'm unstoppable
