Hey
I take the fall
I lose it all
Then I forget what it's all for yeah
My life is here
Or is it there
I can't remember being anywhere

Am I fallin' down (falling down)
It's hard getting up again (up again)
Spinnin' around (round and round)
Am I upside down

You may be nice
I might think twice and then I
I fall for you got nothin' else to do
Should I back down
And turn around and then I
Leave you behind and lose my mind again

Am I falling down (falling down)
It's hard getting up again (up again)
Spinnin' around (round and round)
Am I upside down
Am I upside down

You have one unheard message
First unheard message
Hey this is Bre
Just wanna tell you that I've solved all my problems and
I'm moving on
So call me back as soon as you can
Bye

I take the fall
I lose it all yeah
Then I forget what it's all for
Hey

Am I fallin' down (falling down)
It's hard getting up again (up again)

Spinnin' around (round and round)
Am I upside down

Am I fallin' down (falling down)
It's hard getting up again (up again)
Spinnin' around (round and round)
Am I upside down

Am I fallin' down (down, down, down)
It's hard getting up again (up again)
Spinnin' around (round and round)
Am I upside down (am I upside down)
Am I upside down (am I upside down)
Am I upside down
Yeah
