No one's gonna put me down
No one's gonna push me around
Gonna keep my feet on the ground
And keep walking

No one's gonna take control
No one's gonna own my soul
I'm outta here let's rock and roll
And keep rockin'

Did you think I fell for you
'Cause I took that crap from you
Hey baby live and learn

I won't give in won't run away
If I fall down well that's okay
Gonna keep rockin'
Rockin' in to my life

I won't lose my mind or break my word
Go for cheap and end up hurt
I'll keep rockin'
Rockin' in to my life

No one's gonna shut me out
No one's gonna see me spaced out
No one's gonna make me doubt
'Cause I'm still rockin'

No one's gonna make me change
And I'm never gonna be ashamed

No one's gonna put me in chains
'Cause I'm still rockin'

Did you think I fell for you
'Cause I took that crap from you
Hey baby live and learn

I won't give in won't run away
If I fall down well that's okay
Gonna keep rockin'

Rockin' in to my life

I won't lose my mind or break my word
Go for cheap and end up hurt
I'll keep rockin'
Rockin' in to my life
And you can't run over me
Or make me feel lonely
You can't have my apartment key
I can make you go away

I won't give in won't run away
If I fall down well that's okay
Gonna keep rockin'
Rockin' in to my life

I won't lose my mind or break my word
Go for cheap and end up hurt
I'll keep rockin'
Rockin' in to my life
