"The Last Time"

Hey, didn't you believe me when I told you I was
leavin'?
Well, wait a little while and soon you will be believin'
I'm tellin' you now like I told you before
That love has got to be somethin' more
Than a pasttime, this is the last time

This is the last time that I will say goodbye
You say it doesn't mean a thing
Let's see what the future brings
In the past, I've changed my mind, but
This has got to be the last time

Well, didn't you believe it when I said you don't know
how to love me?
You, you never understood that you weren't so high
above me
I didn't realize 'til a moment ago
That time doesn't really go this slow
And it's past time, this is the last time

Chorus

Whatcha gonna do when nights are gettin' colder,
baby?
Where ya gonna go, you know you're gettin' older,
baby?
Guess you're gonna have to be a little bolder, baby
Whatcha gonna do to satisfy your hunger, baby?
Oh, don't it seem that everyone's a-gettin' younger,
baby?
Guess you're gonna have to find yourself another past
time
Judgin' from the past, I know it won't be the last time

Chorus
