Iâ€™m so confused and itâ€™s not like Iâ€™m trying to be
Man I donâ€™t understand what you want from me
Donâ€™t have the answers but God I wish I did
It would make life so much easier
Oh sometimes I feel like such a kid
And I donâ€™t believe itâ€™s true
Donâ€™t try to make me feel like
That Iâ€™m not good enough for you

So whatâ€™s it gonna take to make you understand
Thereâ€™s no way that Iâ€™m perfect
Accept me for who I am
Whatâ€™s it gonna take to fit in this crazy world
When Iâ€™m doing the best I can but Iâ€™m just one girl
Yeah whatâ€™s it gonna take whatâ€™s it gonna take

Everyone else is always acting like they know
What theyâ€™re talking about not a trace of any doubt
And Iâ€™m not trying to be mean no
But I feel so lost inside and I donâ€™t know what to do
Oh sometimes I just wanna run away and hide

And I donâ€™t believe itâ€™s true
Donâ€™t try to make me feel
That Iâ€™m not good enough for you

So whatâ€™s it gonna take to make you understand
Thereâ€™s no way that Iâ€™m perfect
Accept me for who I am
Whatâ€™s it gonna take to fit in this crazy world
When Iâ€™m doing the best I can but Iâ€™m just one girl
Yeah whatâ€™s it gonna take whatâ€™s it gonna take

And I just wanna be myself wonâ€™t depend on someone
else
Donâ€™t say that Iâ€™ve lost my mind
Donâ€™t give me that because Iâ€™m not blind
Come on boy be a man what you see is what I am

So whatâ€™s it gonna take to make you understand
Thereâ€™s no way that Iâ€™m perfect
Accept me for who I am

What's it gonna take to fit in this crazy world
When I'm doing the best I can but I'm just one girl
Yeah what's it gonna take what's it gonna take
