[VERSE 1]

I've never had a girl that ever meant so much to me  
The way you kiss me, the way you squeeze me, the way  
you touch me  
You know I love you, you know I need you, I'm gonna let  
you know  
I'm gonna hold you tight, I'm gonna make some love,  
I'm gonna do it slow

[CHORUS]

Dance, dance with me  
Then life's a fantasy  
Stand next to me  
You're my ecstasy  
(x2)

[VERSE 2]

So when you need me, just reach for me, call out my  
name  
You know I got you, you know I think of you every time  
of day  
Don't hesitate, I'm the type of man that'll stand right by,  
What you took from me, is what I took like you, I'll stand  
by your side

Oh, baby baby

[CHORUS]

Dance, dance with me (Girl you know that)  
Then life's a fantasy (Come on over here and)  
Stand next to me ('Cause baby I'm not stressed)  
You're my ecstasy  
(x2)

[CHORUS]

Dance, dance with me  
Then life's a fantasy  
Stand next to me  
You're my ecstasy

Fantasy,

Next to me,  
Fantasy,  
Next to me,  
Fantasy,  
Next to me
