Nobody ever saw me here
Nobody ever saw my face
Nobody saw me hide
Nobody gave a chase
Nobody ever told the truth
Nobody ever withheld a lie
Nobody ever gave a shit
Whether I live or whether I die
Nobody ever thought of me
Nobody ever said a word
Nobody ever shed a tear
Nobody ever know they heard
Nobody ever lived my life
Nobody ever changed their ways
Nobody ever made me laugh
Just watched the tears roll down my face

(Chorus)

I can't feel love anymore
I can't feel happy anymore
All I feel is pain
Can't they take it all away?

I can't feel joy anymore
I can't feel smiles anymore
All I feel is pain
Please, just take it all away

Nobody ever watched me fall
Nobody ever helped me up
Nobody ever tried to stay
Nobody ever tried lived it up
Nobody ever heard me cry
Nobody ever said to stop
Nobody ever gave a chance
To me, I can never stay on top

Nobody ever heard my screams
Nobody ever felt my pain
Nobody ever saw the light
Nobody ever knew my name

Nobody ever shared my hurt
Nobody ever knew the way
Nobody ever saw me die
I never said I'm here to stay

(Chorus) x2
