### "My Lullaby"

Hold still my love, don't you cry  
Everything will be alright  
Hush my love and close your eyes  
Drift to sleep and peace  
Drift to sleep and peace  
(Chorus)

There is so much I want to show you  
There is so much I want to show you  
But it all can wait  
But it all can wait  
Till tomorrow

Be still my love, hold me tight  
Everything will be alright  
See my smile and watch me laugh  
Drift to sleep and peace  
Drift to sleep and peace

(Chorus) x2
