Album: Saturate

Well I know you dont know the reason
And its cold a sign of a season
Cuz your old and battered and beaten
And well grow til we hit the ceiling

Yeah

You know me better, get away
Send a letter, Bombs Away

Youre covered in my skin
I couldnt imagine anyone else
My friend a weekend
I couldnt imagine why you would save yourself

Well its gone and its not for certain
And your clothes a bitch is a burden
Cuz your old and battered and beaten
And well grow til we hit the ceiling

Yeah

You know me better, get away
Send a letter, Bombs Away

Youre covered in my skin
I couldnt imagine anyone else
My friend a weekend
I couldnt imagine why you would save yourself

YEAH!!!

Yeah

You know me better, get away
Send a letter, Bombs Away

Youre covered in my skin
I couldnt imagine anyone else

My friend a weekend
I couldnt imagine anyone else
Youre covered in my skin
I couldnt imagine anyone else
My friend a weekend
I couldnt imagine why you would save yourself
