I don't know why you believe in me  
I can't understand it at all  
I hope that you'll be there for me  
If we should happen to fall

[Chorus:]

Forever you're on our minds  
Together we'll spread our wings and fly

The elements can't stop you  
You never fail to show  
No one goes unnoticed

We never fail to know

[Chorus]

I don't know why you believe in me  
I can't understand it at all  
We're there to hold each other  
And we're not about to fall

[Chorus:]

Forever you're on our minds  
Together we'll spread our wings and fly  
Far away  
From the heart
