Borderline,  
Dead inside.  
I don't mind,  
Falling to pieces.  
Count me in,  
Violent,  
Let's begin.  
Feeding the sickness.  
How do I simplify,  
Dislocate,  
The enemy is on the way.

[Chorus]  
Show me what it's like  
To dream in black and white,  
So I can leave this world tonight.

Full of fear,  
Everclear.  
I'll be here,  
Fighting forever.  
Curious,  
Venemous,  
You'll find me  
Climbing to heaven.  
Never mind,  
Turn back time.  
You'll be fine,  
I will get left behind.

[Chorus]  
Show me what it's like to  
Dream in black and white,  
So I can leave this world tonight.  
Holding on too tight.  
Breathe the breath of life,  
So I can leave this world behind.

It only hurts just once.  
They're only broken bones.  
Hide the hate inside.

[Chorus]  
Show me what it's like to  
Dream in black and white,  
So I can leave this world tonight.  
Holding on too tight.  
Breathe the breath of life,  
So I can leave this world behind.
