Breakdown

Let the fun and games begin
She is spayed and broken in
Skin is cold and white
Such a lovely, lonely night

Heaven is on the way
You could feel the hate
But I guess, you never will
I'm on a roll again
And I want an end
'Cause I feel you creepin' in

What I've found
In this town
I'm headin' for a breakdown
What's that sound?
You're so loud
I'm headin' for a breakdown

Drank up all my alcohol
This is not a free for all
I'll be there for you

Till my heart is black an' blue

Heaven is on the way
You could feel the hate
But I guess you never will
I'm on a roll again
And I want an end
'Cause I feel you creepin' in

What I've found
In this town
I'm headin' for a breakdown
What's that sound?
You're so loud
I'm headin' for a breakdown

What I've found

In this town
I'm headin' for a breakdown
What's that sound?
You're so loud
I'm headin' for a breakdown

Your blood down
Is so cold
I'm headin' for a breakdown
What's that sound?
You're so loud
I'm headin' for a breakdown
